# HOW TO USE THE BWS DIGITAL CERTIFICATE

This certificate is issued to every student who completes the BWS Tech Week CR-RTI DAO Course. It certifies digital citizenship, cultural leadership, AI literacy, and Pi Rho Phi Youth Council governance.

## PRINTING

---

Print on US Letter, landscape orientation.  
Best results: 80–110 lb cardstock.  
Fill in student name before printing using a free PDF editor, or write by hand with a fine-point pen after printing.

## THREE FIELDS TO COMPLETE

---

<b>Student Name</b>	Student's preferred name.
<b>Date</b>	Date of the Week 5 showcase.
<b>Council Chair</b>	The student who led Week 5.

## COORDINATOR SIGNATURE

---

Sign the Coordinator line to authenticate.  
For BWS co-signature, email the completed certificate to [info@bwsyouthtech.com](mailto:info@bwsyouthtech.com) with your group name and completion date.

## DIGITAL SHARING

---

1. Save as PDF — attach to college applications or scholarship submissions.
2. Screenshot — share on social media:  
#BWSTechWeek #PiRhoPhi #CRRRTIDao
3. Upload to a digital portfolio — Google Sites, Canva, or LinkedIn (for older students).

## POAP DIGITAL BADGE

---

Every student also receives a POAP — a blockchain-verified proof of program completion.

The POAP link is available in the Group Dashboard at [bwsyouthtech.com/homeschool-portal](https://bwsyouthtech.com/homeschool-portal) after Week 5. No digital wallet required — students save the badge image directly.

## WHAT THIS CERTIFICATE REPRESENTS

---

A student holding this certificate has completed 5 weeks of culturally grounded tech education, served in democratic student governance, built a real digital project, and demonstrated leadership.

This is evidence of skills most schools do not teach.
